2019 Block Island Walking Festival

Mon, Jun 10, 2019, 3:00 PM – Wed, Jun 12, 2019, 5:00 PM EDT

Two days of guided walks throughout beautiful Block Island by friendly, local experts.

About this Event

There are walks for all levels; including easy strolls, moderate hikes and fast paced walks. Featured are both the Southeast Lighthouse with views of the wind farm, and the North Light. Walks include "Walk the walls", (a Stone Wall Tells a Tale), Seal's, Settler's and Shipwreck's, Tour of Historic Inns, Manissean Village Site and Downtown Historic Village. These are just a few of the many walks that will be offered.

As it happens, The Walking Festival is scheduled the same week as Captain Nick's Music Festival and Block Island Restaurant Week. There are discounts on hotels, bikes, moped, kayaks, restaurants and more.

The festival begins on Monday afternoon at the Block Island Historical Society with a reception where walkers meet some of the guides and sign up for three walks per day.

On Wednesday afternoon, at the end of the festival, there will be a gathering at the Island Bound Bookstore, hosted by proprietors (and sisters) Susan and Laura. Refreshments will be served.
